Insurance conditions

- We reserve the right to insure only for the insured place used as a residence and not used to engage in other businesses, and that location must have a person living regularly.
- Insurance under this offer covers only concrete or half-timbered structure, and the location must not be in the area declared by the state as a monkey cheek area or a floodway.
- Buildings made of solid wood or located in an area subject to floods, as determined by the company, are not eligible for insurance coverage.
- The insured must disclose facts of the insured property. Concealing any information will cause the insurance policy to be invalid.

- If it is found that the insured property does not meet the insured conditions, the company will cancel the policy. This will be effective from the start date of policy and the company will return all premiums to the insured.
 - Insurance under this offer is not insured against floods occurring during the first 7 days of the effective date of the policy. Furthermore, the house must not flood before the insurance policy becomes effective.
 - Conditions and details of coverage are in accordance with the home insurance policy.
- *Additional exclusions does not cover solar cell / panels.**
